The dates are as definite as I can make them but I am not in control of that. We will have to wait for Tami to know about receipts. I am just trying to get where I was told to go.

Hi Phil -

Tami is on travel today to Ekwok and I won't see her again until Tuesday. Are these dates/air fares definite (with the exception of you traveling on the 4th instead of the 3rd)? Will you be sending revised receipts? We'll need your receipts to reflect actuals when it comes time to generate the voucher.

Thanks Phil.

Hi Peg,

If you have any questions it probably most efficient to ask Tami, she made most of the arrangement. But I am here if you have a question for me.

The airfare came in two parts so that is how I have it. Levelock to New Stuyahok is the \$225 part. The rest is \$769.
